Concluded the Conference's result from satisfactory to very fruitful

achieve the goal of participating in conference

intended to recommend CPRJ Automotive Conference to others

What our Sponsors say :

“As a hardcore fan of CPRJ, we always appreciate the efforts made by the CPRJ team in providing better matching services between German technology and Chinese enterprises which are undergoing industrial transformation. We wish CPRJ continued success with its conferences that achieve further win-win results for CPRJ and its sponsors.”

— Demag Plastic Machinery (Ningbo) Co., Ltd

Demag Plastics Group

“The arrangements were very good. The results of our participation were very fruitful. We were so happy to have the chance to exchange ideas of the latest technology and build our brand. We will continue to attend CPRJ conference.” (Translated)

— Ningbo Shuangma Machinery Industry Co., Ltd.

SOLE 伯乐塑机

Testimonials from Audience/Keynote Speakers :

“The presentations and arrangements of the conference were very good. I got information that was very useful. I will definitely join the next edition.”

—YAPP Automotive Systems Co., Ltd.

“Automotive lightweighting will continue to be the trend with the developments of new materials, processing and design. I had good impression with the speakers. I will closely follow the latest technologies of spray-free materials, Muchell molding and smart manufacturing.”

—Wuhan Moriroku Technology Co., Ltd.

Scope of Exhibits :

- Carbon fiber
- Glass reinforces plastics
- Rubber Machinery
- Rubber & TPE
- Additives, master batches and pigments
- Extrusion and injection molding
- 3D Technologies
- Molds & hot runners
- Hot stamping, decoration & printing equipment
- Testing equipment & services
- Auxiliary equipment, automation & other industrial tools
- Engineering plastics / modified plastics / reinforced plastics / composites
- Other new materials
- More innovative technologies
