Bi-monthly magazine since 1982, reaches **29,000+** Chinese readers per issue
- **CPRJ International Edition**
Quarterly magazine since 2009, reaches **15,000+** overseas readers per issue

Conference & Customized Events

- **8,000+** Attendees in the past 3 Years
- Targeting Sectors: Automotive, Packaging, Medical, Appliance, 3C Electronics, Recycling & Circular Economy and more

We Are Your Best Choice

- Loyal membership database by constant and precise screening
- Integrated marketing tools to maximize your brand exposure and investment return
- Strong editorial team and **100+** contributors globally, delivering industry news, technology updates, market trends and insights
- Close collaboration with industry associations, experts and leading event partners
- Bonus promotions at **40+** local and international events

Content Marketing is the Trend

Hottest topics and industrial innovations such as **circular economy**, **sustainable packaging**, **new mobility**, **5G applications**, **Industry 4.0** and **3D printing** will be introduced to readers seamlessly through our channels. Advertisers enjoy the maximum exposure of their product innovations through our platforms, which helps to build confidence, positive and lasting effect on brand promotion.

Sq.m of Exhibition Area

You will see CPRJ throughout CHINAPLAS

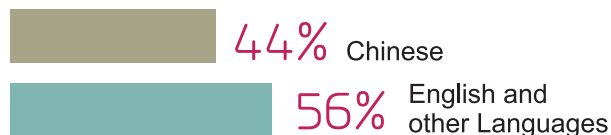

As the official media partner of CHINAPLAS, CPRJ is its exclusive and most prominent media. CPRJ prints, online and social media promotions can be found throughout the fair. We also provide editorial newscasts and cross-media packages to maximize your visibility and generate more sales leads in CHINAPLAS, which include:

● Connect with International Buyers All Year Round

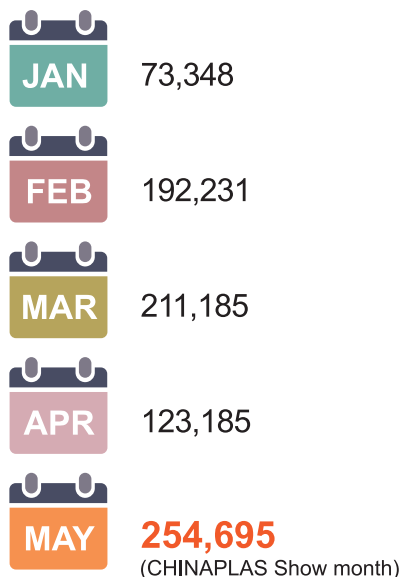

- Up to **254,695** active users during CHINAPLAS show month
- Enjoy FREE priority listing in “Product Category” search results

● User by Language

Data source: Jan 2018 to Dec 2018

● Unique Visitors (2019)

More details: ChinaplasOnline.com/WebSponsor

● Pro-active Promotion Channel to Attract the Attention of Visitors

- Reach out to CHINAPLAS pre-registered visitors and Adsale plastics members
- Total **8** issues are delivered before, during and after CHINAPLAS
- Total page views in 2019 reached **181,045** with **15,160** ad clicks

● Pre-show

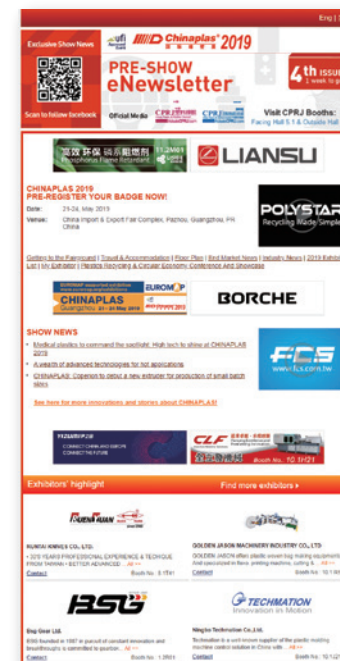

4 issues delivered 1-6 weeks prior to the show

Mid-show

3 issues delivered during the show

Post-show

1 issue delivered 1 month after the show

August 6 – 7 · Eastern China

6th | Home Appliance

September · Eastern / Southern China

3rd | Medical

October 21 – 22 · Shanghai

10th | Automotive

November · Shanghai

Previous Co-organizers/Partners:

- CPRJ has served over **8,000** conference attendees in the past 3 years.
- **98%** of the attendees rated for the overall organization of conferences as Satisfactory to Excellent.
- **78%** participants were management grade, engineers, product designers, experts with decision making authorities.
- **70%+** of the attendees were from end-users, brand owners, OEM / ODM of target application manufacturing sectors.

*Sources: Over 90% of sponsors completed survey during the 2019 CPRJ conferences.

Feedback from Sponsors and Audiences

Marketing tools including online and offline channel to impact and coverage strengthened our brand image, which can further influence the buyers.

*Multitech Machinery
(Shenzhen) Ltd.*

With the well organized for the conference and showcase, it helps exposure our brand image via CPRJ Conference.

*Wacker Chemicals (China)
Co., Ltd.*

There're so many big wigs gathered in the conference, fruitful content included a lot of cutting-edge technology and information, especially through this conference, designers and materials experts from different fields to exchange ideas face to face. I hope the conference will be better and better.

*Guangzhou Automobile Group Co., Ltd. &
Automotive Engineering Institute*

The content was professional. Not just the professional knowledge delivered, we could get to know CMF professionals and high-quality suppliers. The agenda was reasonable, and there were professional guides, as well as time slot for learning and communicating.
