What our sponsors says:

“As a hardcore fan of CPRJ, we always appreciate the efforts made by the CPRJ team in providing better matching services between German technology and Chinese enterprises which are undergoing industrial transformation. We wish CPRJ continued success with its conferences that achieve further win-win results for CPRJ and its sponsors.”

— Demag Plastic Machinery (Ningbo) Co., Ltd

“The conference was well prepared and visited by interested attendees. It is a good chance for companies to introduce their own businesses through presentations.”

— BEKUM Maschinenfabriken GmbH/Morglory Co., Ltd.

“We were especially glad that the organiser had helped us to meet brand owners after their presentations. Overall, it was a great chance to promote our company and products.”

— PolyMirae Company Ltd.

“The arrangements were very good. The results of our participation were very fruitful. We were so happy to have the chance to exchange ideas of the latest technology and build our brand. We will continue to attend CPRJ conference.” (Translated)

— Ningbo Shuangma Machinery Industry Co., Ltd.

We were highly satisfied with the conference’s services. The organization was professional and high quality. The presentations well matched the theme and we learnt a lot of from them. We achieved our goal of participating in the conference.” (Translated)

— Nanjing Julong Science & Technology Co., Ltd
