What our sponsors says:

Thank CPRJ team for perfect support, professional arrangement and organization of the conference. We have benefited from these. Worth to recommend!

Shenzhen Multiplus Machinery Co., Ltd

I had a productive day! The presentations, case sharing and discussions were inspiring. And, I was glad to make friends there.

Kautex Maschinenbau GmbH

Speakers and audiences matched with our target sector. CPRJ team also helped to recommend some potential clients. We have got a lot from this conference.

Arburg (Shanghai) Ltd.

It's wonderful! Well-organized conference with plant visit tour arranged! Also I have met with some experts and industry giants. I can say that was good value for money.

Akei Holdings Company Limited

This was our first time to co-organize the packaging conference with Adsale, and we were very satisfied. We made friends with many leaders from the industry supply chain, listening to many high-level presentations on industry development, participating in brainstorm and exchanging market information.

Southern Packaging Group Ltd.

This international packaging conference included the hot topics of the industry, such as sustainable packaging, safety of food packaging, plastic packaging, and development trends of smart molds and injection molding. It was a very successful and grand event....

Abbott Manufacturing Singapore Pte Ltd.
