

Change • Reshape Protect Big Health

4th Edition CPRJ Medical Plastics and Rubber Conference & Showcase 2021

Programme- Tentative Topics

Venue: Radisson Collection Yangtze Shanghai

4 November Morning Session 08:30-12:00

The Moderator: Yaomin Wang, Senior Purchasing Expert, Weigao Group

08:45 Audience Reception

09:00 Welcome Remarks Adsale Group

China Association for Medical Devices Industry - Shan Xu, Secretary-General

09:10 China Chamber of Commerce of Medicines & Health Products Importers & Exporters International
Cooperation Branch of Medical Devices – Senyong Lin, President

Revision and Impact of Regulations for the Supervision and Administration of Medical Devices

09:40 Shanghai MicroPort Medical (Group) Co., Ltd. – Dr. Hongyan Jiang, Vice President of
R&D Support and Shared Service

Continuous innovation and transformation and upgrading of domestic medical devices

10:10 Coffee Break / Networking / Exhibition Visiting

10:30 Henan Tuoren Medical Device Research Institute Co., Ltd. - Dr. Guofeng Wang, General Manager of
Advanced Medical Materials Division

Development and innovative design of materials for pandemic prevention consumables

11:00 Jwell Machinery Co., Ltd– Alex Liu, Vice Chairman

Application and Future Development Prospects of Extrusion Technology in Medical Industry

11:20 Shanghai Medical Instrument Trade Association - Yunlong Wang, Vice Secretary General

Situation and development potential of the Shanghai medical device industry

11:50 Industrial Design Consultancy - Yifei Dai, Managing Director of IDC China

Medical Product Innovation in Age of intelligence

12:20 Group Photo

12:25 Networking Lunch

4 November Afternoon Parallel Modules 14:00-18:00

Parallel sub-forum: Precision Injection Molding and 3D Printing

The Moderator: Yaomin Wang, Senior Purchasing Expert, Weigao Group

14:00 Rosti Integrated Manufacturing Solutions (suzhou) Co., Ltd. - Rong Ke Packaging & Medical
Operations Director

72 hours “from concept to reality”

14:20 Hongrita Precision Component (Zhongshan) Ltd - Chris Zhou, Business Manager

Application of Multi-material Technology and LSR in Medical Field

14:40 Wittmann Battenfeld (Shanghai) Co., Ltd. - Andy Yang, Senior Technical Support Engineer

Micro & precise injection molding in new perfection from Wittmann Battenfeld

15:00 Coffee Break / Networking / Exhibition Visiting

15:20 Shandong Ujoin Medical Technology Co., Ltd. - HongXiang Wang, Director of Technology Center

The advantages and market potential of high polymer prefilled syringe

15:50 Shanghai KraussMaffei Machinery Co., Ltd.- Rafael Ma, Sales Manager

KraussMaffei helps the new development trend of Dialyzer

16:10 Beijing Chunlizhengda Medical Instruments Co., Ltd. – Kuixue Xu, Director of R&D Department

Research and applications of 3D printed bionic trabecular bone with high friction force

16:40 CHEN HSONG – Jianbo Chen, Senior Manager of R&D Department

Chen Hsong SPARK All-electric for LSR applications in the medical industry

17:00 LK Group – XiaoJie Wang, Marketing Supervisor *Precision injection molding facilitation*

17:20 Brainstorming - *What are the new requirements for precision injection molding and 3D printing in medical devices sector? How to meet the needs for innovation in the sector under the new normal?*

Parallel sub-forum: Intelligent Manufacturing and Medical Packaging

The Moderator: Dan Huang, Vice Secretary-General, China Association for Medical Devices Industry Medical Device Packaging Committee

14:00 China Association for Medical Devices Industry – Yiqin Song, Vice Director

Selection and application of medical sterilization packaging materials

14:30 JSW Machinery Trading (Shanghai) Co., Ltd.- Xiao Ke, Injection Molding Machine Business Manager

Application of intelligent Injection Molding in the Medical Industry

14:50 Maider Medical Industry Equipment Co., Ltd. – Haikun Zhang, Marketing & Sales Director

Automatic application technology and development trend of prefilled syringes

15:20 Tederic Machinery Co.,Ltd.– Jane Jing, Director of International Business Department

Tederic 's Overall Solutions In the Medical Industry

15:40 Coffee Break / Networking / Exhibition Visiting

16:00 BQ PLUS Medical Co., Ltd. – Jack Yang, V.G.M of Quality

Application of EO sterilization technology and demand change of medical instrument materials

16:30 Henkel (China) Investment Co., Ltd. – Peter Chen, Head of Business Development of Henkel Packaging Adhesive Business Unit

Head of Business Development of Henkel Packaging Adhesive Business Unit

16:50 Oliver Healthcare Packaging (Suzhou) Co., Ltd. – Liying Liu, Manager of Quality Department

Process validation of sterile medical device packaging and analysis of common defects

17:20 Brainstorming - *What are the innovation trends of medical packaging? What are the new opportunities and challenges for polymers and intelligent manufacturing?*

Parallel sub-forum: Overall Solutions of Innovative Designs and High-performance Materials

The Moderator: Peng Yan, Secretary-General, Shanghai Plastic Engineering Technology Society

14:00 Medtronic China R&D Center - Dr. Qing Yu, Senior Materials Engineer

Biological risk evaluation for medical devices

14:30 Suzhou Star Tech Trading Co., Ltd - Rock Long, General Manager

High-quality Medical Special Materials & medical Molds Enhance The Competitiveness Of Enterprises

14:50 GE Healthcare - Qing Song, Material Structure Engineer/Expert

Research and analysis of materials for human breathing system

15:20 SHANGHAI-FANUC Robomachine Co.,Ltd. – Wen Xu, Senior Manager of Injection Molding Machine

Application and Case Sharing of FANUC ROBOSHOT in Medical Industry

15:40 Coffee Break / Networking / Exhibition Visiting

16:00 Bluesail Group Co., Ltd. – Dr. Andy Yin, R&D Director

Biopolymer materials and their applications in medical devices

16:30 Wacker Chemicals (China) Co., Ltd. - Vicky Gong, Technical Manager

Wacker silicone rubber provides a full solution for the medical application

16:50 Intersurgical Medical Apparatus(Changzhou) Co., Ltd. – Congfeng Chen, Injection Molding Technical Manager

Plastic part processing requirements and development trends of respiratory anesthesia consumables

17:00 Brainstorming - *What are the new requirements for high-performance materials used in medical devices? How to achieve innovative medical device design? What are the important regulations?*

11月4日 VIP Gala Dinner 19:00-20:30

11月5日 Bluesail Technical Seminar 9:30-11:00

Adsale Publishing Ltd. (Adsale Group) reserves the right of final interpretation for the conference.
