

# CPRJ & SPE New Materials Through Additives and Compounding Conference & Showcase

## Conference Review

7-8.12.2017 | Hilton Shenzhen Shekou Nanhai, China

### Hosts :

Adsale Publishing Ltd.

Society of Plastics Engineers

### Organizer :

China Plastic & Rubber Journal

### Co-organizers :

Guangdong Province  
Wire & Cable Industry  
Associations

深圳市高分子行业协会  
SHENZHEN POLYMER INDUSTRY ASSOCIATION  
Shenzhen Polymer Industry Association

SZMMA 深圳市新材料行业协会

Shenzhen Modern Material Association

### Supporters :

Committee of the Plastic Household  
Products of China Plastics Processing  
Industry Association

Guangdong Plastics Industry Association

## Programme

### 7 December Morning Session 08:00-12:05

- 08:00 Audience Reception**
- 09:00 Welcome Remarks** Adsale Group - Stanley Chu, Chairman  
Society of Plastics Engineers - Mr. Patrick Farrey, CEO
- 09:10 Shenzhen Modern Material Association** - Shou Chen, Chairman  
*An analysis of the national policy for the insurance compensation mechanisms of highlighted new materials*
- 09:30 Kingfa Sci.&Tech. Co.,Ltd.** - Peng Xiao, The Leader of Ministry of General Plastic  
*The application of high performance plastics in intelligent home appliance*
- 09:50 Tupperware Brands Corporation** - Mr. David kusuma, Vice President, Research and Product Innovation  
*Designing the future with new materials*
- 10:20 Coffee Break / Networking / Exhibition Visiting**
- 10:50 Guangzhou Nanyang Cable Co.,Ltd.** - Xiaodong Liu, Chief Engineer  
*An analysis of high voltage DC insulation materials solutions from the perspective of developments of cables and wires*
- 11:20 Chen Hsong Sales & Marketing (Shenzhen) Co., Ltd.** – Ping Zhang, General Manager (Northern China)  
*Collaboration between new materials and injection moulding machines*
- 11:40 SpecialChem S.A** – Ms. Sreeparna DAS, Editorial & E-training Program Director  
*Latest applications of new material innovations in global market*
- 12:00 Group Photo. Networking Lunch**

### 7 December Afternoon Parallel Modules 13:30-18:00

#### Module A: Better compounding and functional additives Hall A, The Moderator: Linsheng Xie

- 13:30 Shenzhen Polymer Industry Association** - Wenguang Wang, Secretary General  
*Analysis of latest technologies for low VOC modified plastics*
- 13:55 Eastman Chemical (China) Co., Ltd.** - Bing Guan, Application Development Manager, Asia, Specialty Plastics  
*Eastman TRÉVA™ Engineering Bioplastic – a versatile, cellulose-based thermoplastic that marries high-level performance and sustainability*
- 14:15 East China University Of Science And Technology** - Linsheng Xie, Professor/Ph.D. supervisor  
*The research of viscous dissipative melt mixing mechanism and its applications in polymer materials with filled, modified functions*
- 14:40 Coperion (Nanjing) Machinery Co., Ltd.** - Gavin Wang, Sales Director  
*Latest developments of coperion twin screw compounder*
- 15:00 Coffee Break / Networking / Exhibition Visiting**
- 15:30 Jining Leader Nano L.L.C** - Dr. Shifeng Hou, Chairman  
*The prospect of the applications of graphene in polymer composites and automotive industry*
- 15:55 Ningbo Shuangma Machinery Industry Co., Ltd.** - Yupeng Liu, Technical Director / Senior Engineer  
*Application of continuous fiber injection moulding in automotive lightweight*
- 16:15 Dongfeng Faurecia Automotive Exterior Co.,Ltd.** - Haiming Sun, Composite Product Expert  
*The application trends of composite materials in automotive lightweighting*
- 16:40 Performance Materials, UL China** - May Li, Engineer Leader/ Certification Reviewer  
*UL innovation of Polymeric Relative Thermal Index( RTI) evaluation*
- 17:00 China Petroleum & Chemical Corporation** - Dr.Lizhi Liu, The Chief Expert of Beijing Research Institute Of Chemical Industry  
*The common problems of polyolefin blends in industrial applications*
- 17:25 Brainstorm: What are the breakthroughs in the mixing technologies for modified plastics? How can functional additives and better mixing of modified plastics help the development of downstream application sectors such as the automotive sector?**

**Module B: Plastic appearance, touch treatment innovations and new materials**

Hall B, The Moderator: Tongkao Xu

- 13:30 Beijing University of Chemical Technology** - Dr. Weimin Yang, Changjiang Scholars / Distinguished Professor  
*The developments of 3D copy and product appearance treatment for polymer materials*
- 13:55 Guangdong Yizumi Precision Machinery Co., Ltd.** - Glory Chen, Manager of Yizumi Testing Center for New Materials and New Technologies  
*Innovation shaping your dreams*
- 14:15 The Sixth Element (Changzhou) Materials Technology Co., Ltd.** - Dr. Yan Qu, Chairman  
*Large scale of rGO manufacture and its application in high thermal conductive tape*
- 14:40 Milliken Enterprise Management (Shanghai) Co., Ltd.** - David Ma, China Marketing & BD Manager  
*Developing trend and new generation of nucleation for astonishing pp performance*
- 15:00 Hopfinder Polymer SCI&TECH Co., Ltd.** - Liang Han, Marketing Director  
*Analysis of the market and technology trends of medical grade PVC*
- 15:25 Coffee Break / Networking / Exhibition Visiting**
- 15:55 Midea Group** - Dr. Yuming Xiong, Senior Research Scientist / Director of Materials Research Laboratory, Corporate Research Center  
*The application potential of smart materials in home appliance industry*
- 16:20 Clariant Coatings (Shanghai) Ltd.** - Peter R. Dufour, Senior Business Development Director  
*Paint-Free solutions for complex molded parts: Innovative formulations that reduces flow lines*
- 16:40 Shenzhen Senior Technology Material Co., Ltd.** - Dr. Jiang Cao, R&D Director Engineer  
*Performance of waterborne resins in coatings for ion lithium battery separator films*
- 17:05 China Plastics Industry Association Modified Plastics Special Committee** - Tongkao Xu, Vice President  
*The case studies and development trends: applications of inorganic mineral materials in plastics modifications*
- 17:30 Brainstorm:** *How to achieve more trendy product aesthetics and sense of touch by material formulations and processing technologies? How to ensure eco-friendliness and safety from the sources of materials?*

Business matching service will be served whole day, the VIP gala dinner will start from 19:10

**8 December 08:30** Assemble at the hotel lobby, then visit Chen Hsong Group (Chen De Plastics Machinery Co., Ltd.), (Shuttle bus arranged for Visitors)

Welcome speech

Stanley Chu  
Chairman, Adsale Group

Mr. Patrick Farrey  
CEO, Society of Plastics Engineers

Keynote speakers

Shou Chen  
Chairman, Shenzhen Modern  
Material Association

Mr. David Kusuma  
Vice President, Tupperware Brands  
Corporation

Xiaodong Liu  
Chief Engineer, Guangzhou  
Nanyang Cable Co., Ltd.

Ms. Sreeparna DAS  
Editorial & E-training Program  
Director, SpecialChem S.A

Lizhi Liu  
The Chief Expert of Beijing Research  
Institute of Chemical Industry, China  
Petroleum&Chemical Corporation

Yuming Xiong  
Senior Research Scientist/Director  
of Materials Research Laboratory,  
Corporate Research Center, Midea  
Group

Haiming Sun  
Composite Product Expert,  
Dongfeng Faurecia Automotive  
Exterior Co., Ltd.

Ping Zhang  
General Manager(Northern China),  
Chen Hsong Sales &  
Marketing(Shenzhen) Co., Ltd.

Pingxu Chen  
Product Manager, Kingfa Sci. &  
Tech. Co., Ltd.

**Wenguang Wang**  
 Secretary General, Shenzhen  
 Polymer Industry Association

**Bing Guan**  
 Application Development  
 Manager, Eastman Chemical(China)  
 Co., Ltd.

**Linsheng Xie**  
 Professor/Ph.D. supervisor, East  
 China University of Science and  
 Technology

**Julian Zhu**  
 Head of Application Technology &  
 Process Application Technology &  
 Process Dept., Coperion(Nanjing)  
 Machinery Co., Ltd.

**Shifeng Hou**  
 Chairman, Jining Leader Nano L.L.C

**Yupeng Liu**  
 Technical Director/Senior Engineer,  
 Ningbo Shuangma Machinery  
 Industry Co., Ltd.

**May Li**  
 Engineer Leader/Certification  
 Reviewer, Performance Materials,  
 UL China

**Weimin Yang**  
 Changjiang Scholars/  
 Distinguished Professor, Beijing  
 University of Chemical Technology

**Glory Chen**  
 Manager of Yizumi Testing Center  
 for New Materials and New  
 Technologies

**Yan Qu**  
 Chairman, The Sixth  
 Element(Changzhou) Materials  
 Technology Co., Ltd.

**David Ma**  
 China Marketing & BD Manager,  
 Milliken Enterprise  
 Management(Shanghai) Co., Ltd.

**Liang Han**  
 Marketing Director, Hopefinder  
 Polymer SCI&TECH Co., Ltd.

Peter R. Dufour  
Senior Business Development  
Director, Clariant  
Coatings(Shanghai) Ltd.

Tongkao Xu  
Vice President, China Plastics  
Industry Association Modified  
Plastics Special Committee

Yanjie Wang  
R&D Chief Engineer, Shenzhen  
Senior Technology Material Co.,  
Ltd.

**Audience Arrival**

**Plenary Session**

**Parallel sub-forum**

**Brain storm**

**Exhibiting & Networking**

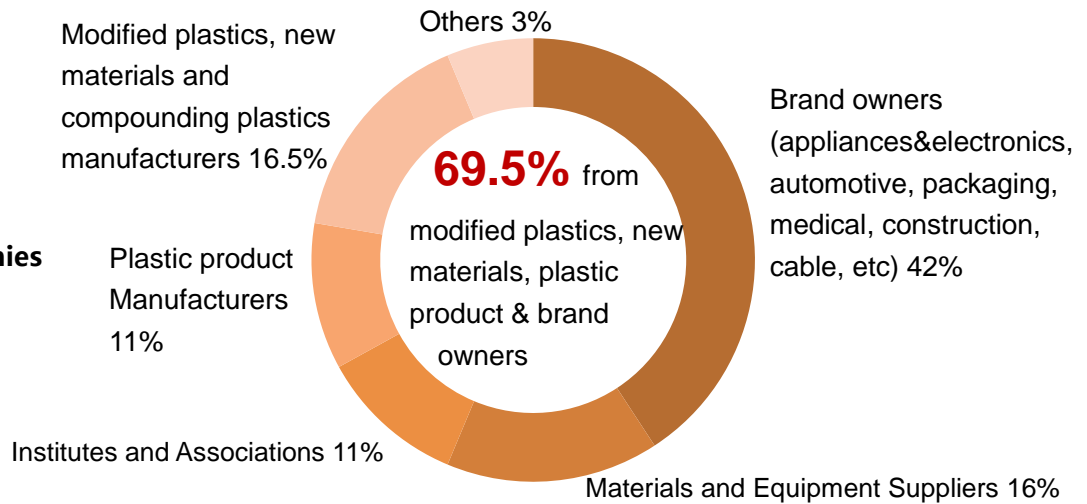

**Participants' Profile**

**352** Participants

- R&D/Quality Control/Production Manager 52%
- Purchasing/Marketing/Operation Manager 18.5%
- Managing Director/General Manager/Plant Manager/Senior Management 23%
- Others 6.5%

**175** Companies

**Audience's comment on the conference :**

Agreed Conference's quality from satisfactory to excellent

96%

Intended to recommend CPRJ Conference to others

*\*Source of information: 99 respondents filled in the questionnaires*

**Sponsor's comment on the conference :**

**99%** Concluded the Conference's result from satisfactory to very fruitful

**98%** Agreed the Conference's organization and services from satisfactory to excellent

**90%** Intended to recommend next edition of CPRJ Conference to others

**93%** Achieved the goal of participating in the Conference

**Benefits sponsors gained from the conference :**

Obtain clearer picture in the additives and compounding industry in China **80%**

Met potential buyers / distributors / agents **80%**

Enhanced corporate / product image **67%**

*\*Source of information: questionnaires from over 90% Sponsors*
