

7th Edition CPRJ Plastics in Packaging Conference & Showcase 2019

- Programme (As of 31 July 2019)

Venue: Sheraton Grand Shanghai Pudong Hotel

English-Chinese simultaneous interpretation service provided

1 August Morning Session 08:00-12:15

The Moderator: Hongjun Wu, Deputy Secretary General, China Packaging Federation

08:00 Audience Reception

08:30 Welcome Remarks Adsale Group Adsale Publishing Ltd. - Janet Tong, General Manager

Amcor Flexibles Greater China - Brenda Dong, Public Affairs & Communications Vice President

08:40 UNEP Basel Convention Regional Center for Asia and the Pacific - Dr. Jinhui Li, Executive Director

The current status and development trends of international plastic waste management

09:10 P&G Technology(Beijing)Co.,Ltd. - Deon Wang, Packaging Development Technology Academician

P&G Packaging Sustainability

09:40 Demag Plastics Machinery (Ningbo) Co.,Ltd. - Jack Liu, Automation and Application Engineering Director

Diversified multi injection molding technologies

10:00 Coffee Break / Networking / Exhibition Visiting

10:30 Amcor Flexible Asia Pacific - Dr. Qiang Lu, Vice President R&D

Innovations in flexible packaging: From functionality to sustainability

11:00 Kingfa Sci.&Tech. Co.,Ltd. - Penny Peng, Director of Sustainability Division

High-quality recycled plastic solutions for packaging applications

11:20 Nestlé Quality Assurance Centre, Asia-Oceania-Africa - Dr. Sylvain Rannou, NQAC Expert, Packaging Safety & Compliance (PS&C) in AOA

Regulatory compliance and food safety matters for plastic packaging

11:50 Changzhou Transept Intelligent Equipment Co.,Ltd. - Tianhai Yang, Vice President

Smart factory in packaging revolution

12:10 Group Photo

12:15 Networking Lunch

1 August Afternoon Parallel Modules 13:30-18:00

Parallel Sub-Forum: Innovative food & beverage packaging

The Moderator: Dr. Changying Hu, Professor, Dept. Food Sci. & Engi., Jinan University

13:40 TK Mold (Shenzhen) Limited - Eric Cao, Business Development Manager

Packaging inspirations by following nature - structural engineering in context to bionics

14:00 SGS-CSTC Standards Technical Services Co.,Ltd. - Dr. Geng Lu, SGS Hardlines Chemical Technical Director (CHK)

Food contact material regulation-Basic principle, application example & innovation

14:20 Menshen Packaging (Shanghai) Co., Ltd. - Ricky Li, Sales General Manager, Greater China Region

Menshen Weld Spout- Innovation / Optimization / Sustainability

14:50 Barnes Molding Solutions (Jiangsu) Co., Ltd. - Andrew Zheng, FOBOHA Sales Manager

Innovative mold technology for packaging applications

15:10 Coffee Break / Networking / Exhibition Visiting

15:30 Zhuhai Zhongfu Enterprise Co., Ltd. - David Kong, R&D Director / Chief Engineer

High barrier multilayer injection molding and its innovative applications

16:00 ExxonMobil Chemical - Larry Liu, Vistamaxx Market Developer

Vistamaxx™ performance polymers – Innovative solutions for rigid packaging and films

16:20 Southern Packaging Group Co.,Ltd. - Liping Fang, Associate R&D Director

Applications of multilayer bottles in the field of plastic packaging

16:50 Michelman New Material (Shanghai) Co.,Ltd. - Wanqiang Chen, Senior Technical Specialist

Sustainable packaging introduction: Recyclable; reputable; degradable; compostable

17:10 Amcor Flexibles Greater China - Joseph Lee, R&D Manager

Amcor packaging innovation

17:40 Want Want Group - Jeff Cui., R&D Manager

Linking different sectors to create new plastics era

Parallel Sub-Forum: Innovative daily consumables packaging

The Moderator: Richard Yuan, General Manager of Plastics Division Business Dept., CPMC Holdings Limited

13:30 Shanghai Beukay Cosmetics Co., Ltd. - Eric Shen, Director of Research & Innovation Center

Product packaging innovations

14:00 Shanghai-Fanuc Robomachine Co., Ltd. - Yuliang Chen, ROBOSHOT Sales Div Manager Assistant

FANUC ROBOSHOT application in packaging industry

14:20 Aptar China Co.,Ltd. - Weida Zhang, Packaging Development Director, Greater China

Innovations of daily chemicals packaging based on product platform

14:50 Arburg (Shanghai) Co., Ltd. - Eric Fang, Arburg China Industry Development Manager

Stability and efficiency, Arburg packaging injection molding machine

15:10 Dow Packaging & Specialty Plastics - Dr. Gang Wang, Technical Service & Development Engineer,

Towards a circular packaging economy – Dow's recyclability innovations

15:30 Coffee Break / Networking / Exhibition Visiting

16:00 Unilever Research and Development Centre – Omi Ma, Senior Packaging Development Manager

Applications of 3D printing for daily chemical products

16:30 JD Logistics – Chengzhi Yin, Technology Manager of Logistics Packaging

Development trends of FMCG packaging in E-commerce era

17:00 Brainstorm: *This is an era of aesthetics, which is particularly prominent in the packaging of daily chemicals. How to stand out in the highly competitive daily chemical products? How the material and technology companies behind the scenes can help?*

1 August VIP Gala Dinner 19:00-20:30

2 August Morning Parallel Modules 08:00-12:30

Parallel Sub-Forum: Latest packaging technologies for food and beverage

The Moderator: Dr. Li Li, Professor, College of Food Science and Technology, Shanghai Ocean University

08:40 Tragot (Guangzhou) Packaging Co.,Ltd. – Yanyuan Xu, Production Manager

A discussion on the design and processing of food packaging

09:10 Robatech AG – Daniel Locher, Global Key Account Manager & Sales Director of Robatech AG for South America area / **Robatech (China) Limited** – Jimmy Xie, China Key Account Manager

High safety and efficiency gluing solutions for saving cost in Packaging Line

09:40 Printpack Packaging Supplies (India) Pvt. Ltd. – Vivek A. Chougule, Managing Director & Asia Business Development Director

Clean food: Advance in microwave sterilization technology

10:10 China Hewlett-Packard Co., Ltd. Shanghai Branch - Hanquan Feng, Indigo Digital Press Solution, Flexible Packaging Segment, Great China Sales Director

Flexible Packaging' s innovation to digital and customization

10:30 Coffee Break / Networking / Exhibition Visiting

10:40 Kraft Heinz China – Daniel Liu, Associate Director

New trends and technologies for Foods Packaging in Millennials World

11:10 Huntsman – Jacky Cheung, Commercial Director & General Manager China, Huntsman PU

Green pack, win future

11:30 Tingzheng Packing Materials – Dr. Scott Zhang, Senior Director of R&D Department,

How packaging innovation insights inspire ideas and target consumers more efficiently?

12:00 SK Global Chemical – Frank Chen, Packaging TS&D China Team Leader

SK Global Chemical flexible packaging solution

Parallel Sub-Forum: Sustainable development of plastic packaging

The Moderator: William Bao, Associate Director , Johnson & Johnson (China) Ltd.

08:40 TerraCycle – Dr. Eric Kawabata, General Manager, TerraCycle, Asia-Pacific Region

TerraCycle, eliminating the idea of waste to tackle plastic waste crisis

09:10 Milliken Enterprise Management (Shanghai) Co., Ltd. - Vincent Wang, Asia Marketing & Communication Leader

A vision of sustainable plastic solution for CPG Packaging

09:30 Huhtamaki Group – Jimmy Zhu, NPD Manager, AO

Journey to sustainability - Huhtamaki packaging

10:00 Sacmi Imola S.C.– Iacopo Bianconcini, Marketing Manager & Business Development –Closures, Containers & PET

SACMI contribution on sustainability and circular economy: compression molding for tethered caps and Post Consumer Recycled plastic in multilayer containers

10:20 Coffee Break / Networking / Exhibition Visiting

10:40 Pepsico Asia R&D Center Co.,Ltd. - Johnny Zhao, Associate Director, R&D Packaging, Greater China

Region Food packaging and sustainable development of Pepsi

11:10 SABIC – Dr. Jeff Huang, Senior Engineer in Market Development & Technical Support Dpt., Petrochemicals

Making a world of difference together with light, high performance packaging material solutions

11:30 Amcor Flexibles Greater China – Guoxing Yu, FTS & PE Manager

Sustainability Introduction of Amcor Flexible Packaging

12:00 Reifenhäuser Plastic Machinery (Suzhou) Co., Ltd. –David Li, Senior Sales Manager

Blue goes Green – Sustainable Packaging,Enabling circular economy with fully recyclable packaging solutions based on PE only laminates

2 Aug 13:30 Plant Visit Assemble at the hotel lobby, then visit East China Central Factory of Bright Dairy (Shuttle bus arranged for visitors)

Concurrent Events:

| | |
|---|--|
| Welcome dinner of Amcor | Time: 5:00 - 9:00 pm, July 31 |
| | Venue: Lushan Room |
| | Welcome Remarks: Max Wong, Vice President R&D, Amcor Flexibles Greater China |
| | Description: By invitation |
| Concurrent Workshop: Arburg Special Closures Integrated Solution | Time: 5:00 - 6:00 pm, August 1 |
| | Venue: Huashan Room |
| | Content: Arburg's application case sharing: Two-color cap injection molding solution(15 mins) – Special cap injection molding solution (15 mins) – Discussion session (30 mins) |
| | The Moderator: Dr. Xiongfei Yin, General Manager of Wahaha Precision Machinery, Hangzhou Wahaha Group Co.,Ltd |
| | Target audience: The users and cap manufacturers in the food and beverage, condiment, and daily chemical industries |
| | Description: By invitation |
